You are ready to begin using the product.

## Detailed GFCI Testing Instructions

**Do not use your product if these steps fail. Call 1-800-537-4129 or visit [www.karcherresidential.com](http://www.karcherresidential.com).**

This product is provided with a ground fault circuit interrupter (GFCI) built into the plug of the power-supply cord. This device provides additional protection from the risk of electric shock. Should replacement of the plug or cord become necessary, use only identical replacement parts that include GFCI protection. Contact Kärcher Customer Care.
